Estwing

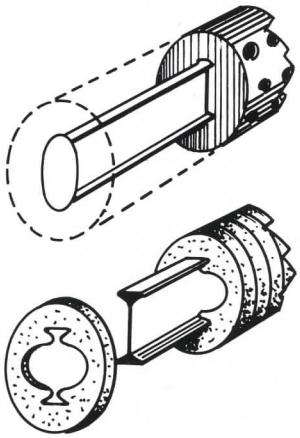
Unique Design and Construction Features

Forged one-piece solid steel construction, the strongest construction known, eliminates loose heads. Estwing nail hammers are available with beautiful laminated leather grip or exclusive nylon-vinyl deep cushion safety grip that will not loosen, come off or wear out. Molded on to stay on.



Exclusive nylon-vinyl grip, baked and bonded to steel handle in our molding process. Assures comfort and durability. (No replacement grips required.)

Sole leather washers are pressed on and riveted. Grip is polished and double lacquered to a beautiful finish.
